Please join us at the Department of Education coffee morning on Wednesday 22nd May from 10.30 - 11.30

Cakes will be sold for a small donation and all proceeds will go towards The Fostering Network's vital work as the UK's leading charity for everyone involved in foster care. You can also find out more about the Rees Centre's exciting new programme of research on fostering.

Location: Common Room, Department of Education, 15 Norham Gardens
